Section 1: Vision & Travel Style

Start with the big picture. The clearer you are on how you'll use your RV, the easier every other choice becomes.

How do you picture using your RV? (check all that apply)

Weekend getaways close to home

Longer road trips & vacations

Off-grid / boondocking adventures

Tailgating & events

Seasonal site at one campground

Snowbird or full-time living

Who will travel with you most often?

Just me or my partner

Family with kids

Friends or larger groups

Pets along for the ride

Favorite places you want to take it:

Trips you're dreaming about:

When do you want to be out RVing?

Ready now (0-30 days)

Soon (1-3 months)

This season (3-6 months)

Just exploring for now

Notes:

Section 2: Choosing Your RV Type

RV Ready carries both towables (you tow them) and drivables (you drive them). Here is every model line we stock, with rough sizes, prices, and who each one suits best. Prices are approximate and change with inventory.

Model line	Type	Size / sleeps	Approx. price	Best for
R-Pod (Forest River)	Travel trailer	18-25 ft / sleeps 2-4	\$22K-\$31K	Couples & weekenders; class-leading light towing
Un-Mapped (Forest River)	Travel trailer	27-29 ft / sleeps 2-4	\$35K-\$42K	R-Pod owners wanting more room; half-ton towable with off-grid prep
Cherokee Wolf Pup	Travel trailer	12-24 ft / sleeps 2-5	\$13K-\$28K	Singles, couples, first-timers; ultra-light
Della Terra (East to West)	Travel trailer	21-38 ft / sleeps 3-6	\$19K-\$40K	Value-minded shoppers; 8-ft-wide layouts
No Boundaries (NoBo)	Travel trailer	20-33 ft / sleeps 2-4	\$25K-\$45K	Off-grid & adventure; tows behind smaller vehicles
Surveyor Camp Series	Travel trailer	33-38 ft / sleeps 5-8	\$33K-\$40K	Active families on a budget; bunkhouse
Cherokee Grey Wolf	Travel trailer	25-38 ft / sleeps 4-8	\$27K-\$50K	Families; popular bunkhouse floorplans
Cherokee Alpha Wolf	Travel trailer	25-39 ft / sleeps 4-8	\$35K-\$48K	Families wanting upgraded half-ton comfort
Surveyor Legend	Travel trailer	23-37 ft / sleeps 2-6	\$27K-\$40K	Couples & small families; residential feel
Cherokee Arctic Wolf	Travel trailer	30-43 ft / sleeps 6-8	\$50K-\$70K	Larger families; roomy four-season-style
Cherokee Timberwolf	Travel trailer	28-45 ft / sleeps 6-10	\$40K-\$70K	Big groups & extended stays; residential
Sandpiper	Fifth wheel	37-43 ft / sleeps 4-8	\$60K-\$80K	Full-timers & serious travelers; needs 3/4-ton+ truck
Impression (Forest River)	Fifth wheel	34-43 ft / sleeps 4-6	\$50K-\$80K	Luxury couples & families; needs 3/4-ton+ truck
Sandpiper Destination	Destination trailer	39-42 ft / sleeps 4-8	\$60K-\$75K	Seasonal site or home-base camping
Coachmen Prism	Class C (drivable)	24-26 ft / sleeps 3-6	\$105K-\$150K	Drive-and-go; Mercedes diesel, no tow vehicle

Toy-hauler floorplans are available within several Cherokee lines for shoppers who want to bring bikes, quads, or other gear. Inventory changes constantly - the current lineup and pricing always live on the RV Ready website.

Which types are you leaning toward? (check all that apply)

Travel trailer

Fifth wheel

Toy hauler

Destination / park trailer

Class C motorhome

Class A motorhome

Model lines I want to see:

Section 3: Comfort & Features

Think about daily life inside your RV. Check the features that matter to you, these become your must-have list when you compare floorplans.

Sleeping

Queen or king bed

Bunkhouse for kids

Murphy bed / convertible

Sleeps 6 or more

Bath

Full walk-in shower

Bath and a half

Tub for kids

Rear/private bath

Kitchen

Outdoor kitchen

Large fridge

Kitchen island

Solid-surface counters

Climate & power

Two A/C units

Four-season package

Solar / off-grid power

Generator-ready

Storage & exterior

Pass-through storage

Power awning

Backup camera

Power/auto leveling jacks

Other features I want:

Section 4: Budget

A clear budget keeps shopping fun and fast. At RV Ready there are no prep fees and no hidden fees, so the price you see is the price you pay.

How do you plan to pay?

Cash / outright

Finance (monthly payment)

Trade-in toward purchase

Still deciding

Which budget range fits you best?

Under \$20,000

\$20,000 - \$35,000

\$35,000 - \$50,000

\$50,000 - \$75,000

\$75,000 and up

Target purchase price:

Comfortable monthly payment:

Plan for the ongoing costs too

Ongoing cost

Notes / estimate

Insurance

Storage (home or lot)

Maintenance & service

Campground / site fees

Fuel & towing

Section 5: Tow Vehicle & Setup

If you're looking at a towable, your tow vehicle decides how big you can safely go. (Shopping a drivable Coachmen Prism? You can skip the towing questions, just note your driveway and storage space below.)

What will you tow with?

Small SUV, crossover, or 4-cylinder

Mid-size SUV or half-ton truck

3/4-ton or larger truck

Not sure yet - I'd like guidance

Year / make / model of tow vehicle:

Manufacturer tow rating (if known):

Not sure what you can tow? Use the [RV Ready Tow Guides](#) or just ask our team, we'll match a floorplan to your vehicle.

Setup & storage check

I have a hitch / can add one

I'll store it at home

I'll need off-site storage

I have space to maneuver & park

Towing / setup notes:

Section 6: Wish List

Bring it all together. This is the short list you'll hand to your RV Ready salesperson so they can zero in fast.

My top 3 must-haves:

New or pre-owned?

Open to new

New only

Open to pre-owned

Best value either way

Do you have a trade-in?

Yes - I have a trade

No trade-in

If yes, year / make / model:

Want a number first? [Value your trade-in online.](#)

Anything else our team should know:

Your Progress

Check off each section as you finish:

Section 1 - Vision & travel style

Section 3 - Comfort & features

Section 5 - Tow vehicle & setup

Section 2 - RV type

Section 4 - Budget

Section 6 - Wish list
